President C. W. Flint,
Cornell College, Iowa.

Dear Sir:

In the absence of President Falconer I beg to acknowledge the receipt of your letter. President Falconer will not be in Toronto until September, and the only one in Toronto whom you could see regarding a military instructor would be Major Needler, C.O. of our Overseas Company of the Officers' Training Corps. His headquarters are at Furze Hall, and Captain Wallace is second in command. Your request is on the list in the possession of the Registrar, Mr. Bretner, who has been corresponding with the university men who return and are likely to be available for your instructorships.

Yours very truly,

President's Secretary.
